EVENTS & MEDIA SERVICES

WELCOME

We are pleased to invite you to participate in the 9TH Annual International Congress of GIT Endoscopy (EndoEgypt 2025). This historic event will take place on August 14TH and 15TH, 2025, at the Hilton Heliopolis, Cairo, Egypt.

EndoEgypt 2025 promises to be a remarkable opportunity to connect with clinicians, gastroenterologists, and endoscopists from around the globe. Our comprehensive scientific program will feature a variety of session formats, providing valuable learning opportunities for young doctors to enhance their expertise in the GIT field.

We are committed to offering a professional experience through numerous activities, including hands-on demonstration training in various endoscopy techniques, as well as live transmissions of complex cases.

With great enthusiasm, we look forward to welcoming you to EndoEgypt 2025 in the historic city of Cairo, to be part of this transformative conference and help us put the future of endoscopy in focus. Your participation will contribute to advancing our field and enhancing patient care.
